

SSI Zero Waste Bins on North Campus:

Zero Waste bins to dispose of waste after events are located outside the Electrical Engineering and Computer Science (EECS) Building on North Campus

Inside: Walk straight forward

Turn right at white pillars:

Walk to end of hallway, then turn left. Proceed through double doors labeled “1421” to loading dock:

Walk down stairs on the far left side of the room:

Exit through doors at the bottom of the stairs, and bins are on the left. Be sure to prop the door open to get back in; it locks automatically!
