

Pipet Tip Box & Insert Recycling Program

Easily recycle empty pipet tip boxes and inserts of ANY BRAND, for FREE!

1. Contact the Office of Campus Sustainability at sustainable-labs@umich.edu for a new or replacement collection box, which will be delivered to your building's loading dock.
2. Place decontaminated #5 plastic boxes and inserts in the box.
3. Call UPS or Place in pickup location on dock for pickup FREE of charge.

Boxes are recycled into pellets that are then used to make park benches and other items of a similar material.

This program is endorsed by the University of Michigan Office of Campus Sustainability and the Strategic Supplier Procurement Staff and administration.
