Recycle Oral Care Products

What can you recycle through this program?

- Toothbrushes and outer packaging
- Caps and cartons
- Floss containers
- Toothpaste tubes

All excess product must be removed. If the item has been rinsed, it must be completely dry prior to shipping.

Unacceptable Items
- Electric toothbrushes, battery toothbrushes, and/or their parts.

Questions: recycle@umich.edu

How to Recycle

Set up your own collection box. Once full, email recycle@umich.edu to request a pre-paid shipping label. All shipments must be a minimum of 2 lbs.

For each shipment received, TerraCycle will donate $0.01 to C.S. Mott Children’s Hospital.

Your effort supports U-M’s waste reduction goal: Reduce landfill waste by 40% by 2025
