TOWN HALL: THE ROLE OF FOOD AND CAMPUS CULTURE IN CARBON NEUTRALITY AT UM DEARBORN

Join us to discuss the role of UM Dearborn’s food system and campus culture in advancing the wider university’s progress towards carbon neutrality. We will offer an update on the work we have done thus far with the President’s Commission on Carbon Neutrality and strategies for how we plan to move forward. We hope to gather ideas, questions, and concerns from faculty, staff, and students on what you would like to see and what barriers we might face in reaching a just transition to carbon neutrality. Brown bag lunch event (lunch not provided).

KOCHOFF HALL ROOMS B&C
University Center
UM Dearborn
4901 Evergreen Rd
Dearborn MI

THURSDAY FEBRUARY 27TH 12:30-1:30 P.M.

This PCCN town hall will focus on questions related to food and campus culture. Feedback and ideas related to other topics can be directed to the PCCN website (http://sustainability.umich.edu/carbonneutrality/engagement). If you cannot make this event, please e-mail ideas related to food to Caroline Baloga (cbaloga@umich.edu) and about campus culture to Megan Czerwinski (maczerwi@umich.edu).
